DESIGNER / LABELS

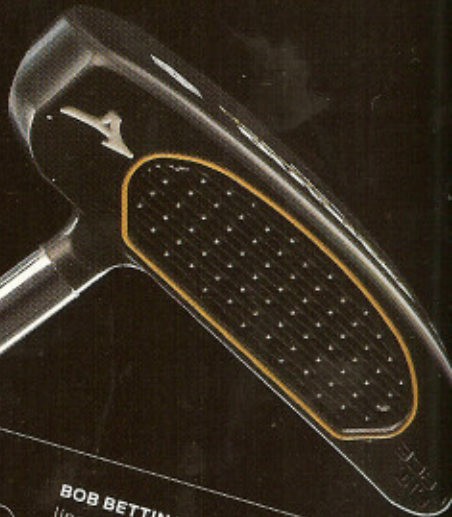

DAVID EDEL / The Vari-Loft
lofts that can be customized
for different strokes and green
speeds. \$800, edelgolf.com.

BOBBY GRACE / The Face-Off
Response DCT has two face
choices and a polymer insert for
better energy transfer on off-center
hits. \$250, macgregorgolf.com.

BOB BETTINARDI / The milled
lines in the Black Carbon Series
are designed to provide a soft feel
in a one-piece carbon-steel frame.
\$300, mizunousa.com.

CLAY LONG / Machined from an 11-pound block of mild carbon steel, the C206.6 mallet has a long-barrel hosel for vibration dampening. \$325, rollyourball.com.

DAVID WHITLAM / Milled from 303 stainless steel, the face-balanced Jules has perimeter weighting with an aluminum-alloy insert in the back. \$325, whitlamgolf.com.

SCOTTY CAMERON / Teryllium Ten's copper-alloy face insert stretches into the cavity of its carbon-steel body, providing a soft feel. \$600, scottycameron.com.

LAUREN, LINDBERG AND HILFIGER MAY FILL YOUR CLOSET WITH GREAT CLOTHES, BUT CAN THEY PUTT? THESE NAME DESIGNERS MIGHT JUST CHANGE YOUR GAME / BY MIKE STACHURA
